Dear Karen,

Thanks so much for your letter and for the detail photographs of your Rauschenberg. You and Henry Hopkins will be eager to learn that the SFMMA's untitled Rauschenberg now has a title- Collection. Bob Rauschenberg was at the NCFAs last week and re-christened the work. }

Florine sends her regards to you and her apologies for not having gotten back to you sooner about our loans for the California show. We have the forms and she and Walter are both at work on the loans. Hoping this isn't holding you up too badly, and that all is going along well with the exhibition.

It was so nice meeting you during my all too brief visit to California, and I wanted to thank you again for showing me around the museum. I had, needless to say, a terrific time, and look forward to a more extended visit some time, hopefully soon. I imagine my home ground will be Washington for at least a few months, but like so much else I'm still pending.

Please let us know if we can do anything for you here, and best of luck with the California exhibition.

Best regards,

Neil Printz
